The Lismore City Council is collecting your personal information to process this Hire Agreement. The information will be only accessed by authorised Council employees. Your information will not be given to any other person or agency unless you have given us permission or we are required by law.

All-Terrain/Beach Wheelchair

Safety Instructions

1. This chair is not a flotation device and should not be used in rescue efforts.
2. The passenger must use the safety straps at all times.
3. If in any danger, the passenger must be unstrapped and rescued immediately and the chair abandoned. At no stage is anyone to put their life at risk to rescue the chair.
4. A support person must be present at all times when the chair is in use. Passengers in the chair should never attempt to use this equipment alone.
5. The chair may be difficult to push on soft sand or loose gravel. Please take appropriate precautions to prevent injury.
6. The support person must take into consideration all needs of the passenger and their associated disability and seek medical advice prior to use.
7. It is highly recommended that the chair be used on patrolled beaches and access friendly lakes and walking tracks. Local Councils and National Parks and Wildlife Services can assist in finding the appropriate place to use the chair.
8. The chair has a maximum Safe Weight Loading (SWL) of 150kgs.
9. The chair can be folded for transportation and the support person must be mindful of hand or finger injuries, particularly if young children are present.
10. Item Checklist for return:
 - Wheel chair with black wheels
 - Large white wheels
 - Blue curved handle
 - Blue pull handle
 - Bucket and yellow brush
